Notes

Respondents 18 years and older who have smoked 100 cigarettes in their lifetime and now smoke every day or some days.
 The '-' indicates that the sample size was < 50.
 The sample size includes all survey respondents except those with missing, "don't know", or "refused" answers.

The BRFSS 2011 and 2012 data are currently only available by request.

The 2011 and 2012 data includes cell phones and a new weighting system and should be considered a new "baseline".
